

Term Plan Template

Master Councilor

During my term as Master councilor, I want to focus on activities and making DeMolay fun. I like to have an activity each month from a movie night to bowling. With help from my brothers and Advisors I believe my goals can be reached, which are listed below.

I believe through more chapter activities we will gain more members and keep them coming to meetings. Progress in ritual will help us get through our business meetings quicker so we can have more fun after our meetings.

Charity

Guardians of Litem

My goal is to raise at least \$200 for Guardians of Litem through donations during my term.
